

Ministerie van Economische Zaken

# Transparency

*The natural way forward*

Rob van Brouwershaven  
Director Nature & Biodiversity  
Ministry of Economic Affairs

11 December 2014

Sharon Dijksma  
Minister for Agriculture & Nature

“Nature’s role in society and in the economy can and must be stronger.

By treating nature in a different way we can do nature and ourselves a great service. Nature and the economy can reinforce one another.”

# Transparency: a lot is going on...
